

Unique property features in this one-of-a-kind master planned healthy lifestyle community include...

The Grand Entry

Located at the intersection of South Post Road and Industry Drive in Shelby, NC, the Grand Entry serves as the main gateway to the property, featuring a large roundabout to ensure smooth traffic flow, plus a beautiful fountain and manicured landscape.

The Clubhouse and Fitness Center

Located on the lake, the clubhouse will feature a community fitness center, Olympic-size swimming pool, half basketball court, sand volleyball court and two tennis courts. A covered pavilion will provide a perfect place for family gatherings.

Organic Community Gardens

Nestled below the lake, the organic gardens will provide a tranquil setting for homeowners to nurture herbs and seasonal vegetables, and to share in organic trial plots that will be interspersed throughout the garden area. An informal orchard will treat residents to apples, pears, peaches and other fruits.

Outdoor Entertainment

The gentle hillside facing historic Kings Mountain, North Carolina will feature a 1,000-seat amphitheater. The amphitheater will host one-day seminars, and community-wide health revivals. Walking trails and sidewalks will connect the amphitheater to The Village residences.
